Cork Schoolboys League

RULES

SEASON 2022/23

**SCHOOLBOY'S FOOTBALL ASSOCIATION OF IRELAND
CORK SCHOOLBOY'S LEAGUE RULES**

1. This amalgamation of Clubs shall be called the "Cork Schoolboys League" or such other name as may be decided at the A.G.M. All clubs in membership of the league must be affiliated to the S.F.A.I.

- 1A. At U12, U13 and U14 grades, no player will be entitled to transfer to, or join, any other club in the season following the season in which he participated (i.e. named as a player or substitute on the match card) in a competitive game for a Cork Schoolboys League Inter League team or an Irish team.
 If there are no competitive Inter League games at the lowest competitive grade, this rule will apply to all players named on the official Cork Schoolboys League Development Panel which will be issued to all clubs by the end of each season.
 At all other grades (from U15 and upwards), no club can sign more than three players in the season following the season in which they participated (i.e. named as a player or substitute on the match card) in a competitive game for a Cork Schoolboys League Inter League team or an Irish team. Any club with more than three players in a panel from the previous season will be able to keep those players.
 Notwithstanding this rule, a request for a change of club may be submitted to the League, however such a request will only be considered in the most exceptional circumstances.

2. Any club in membership of the league has the right to appeal to the Schoolboys Football Association of Ireland, in accordance with rules of that body, against the decision of the League, S.F.A.I. Appeal Fee €500. S.F.A.I. Protest Fee €500. If the clubs wish to appeal the decision of the S.F.A.I. to the F.A.I., the fee is €500.

3. During the period of membership of the Cork Schoolboys League no player shall be at liberty to transfer to a Club outside its jurisdiction without the sanction of the Management Committee of the League.

4. A player can only play for one club in the League in any one season unless he has received his transfer from the club he last played for. No player can be registered unless he has received the transfer duly authorised. A transfer form must be signed by both club secretaries. The closing date for the receipt of duly completed transfer forms shall be 31st December of each year. The transfer form must be posted by prepaid post and post mark shall be conclusive evidence. The transfer season shall be the period from 1st August to the 31st December in any year.

5. In the event of a Club being suspended, removed or withdrawing from the League the Management Committee may grant permission for such Club's players to be registered

for another Club. Players then without a club shall make written application to the league setting out the circumstances and name of the club they desire to assist. No club shall secure the services of more than three such players. No player can assist a second club in a cup competition in which he has already played. Players who withdraw their services from their club the previous season must apply in writing the following season to the league and name the club they desire to assist. No club shall be permitted to avail of the services of more than two such players.

6. In the event of a team being suspended, removed or withdrawing from the league, their record for played matches shall be void and they will be ineligible to participate in the next grade in the next season. The withdrawal of a team may not be accepted at the discretion of the League.
7. Clubs found guilty of playing an over-age player or players shall be removed from the Association for the remainder of the season. If two teams from the same club are so removed in the same season, the club will be ineligible to participate in the league in the following season.
8. All matches, venues and hours of kick-off shall be arranged by the Fixtures Secretary. No games will be fixed for St. Stephen's Day or New Year's Day. No Club or Clubs shall have the power to break or postpone a fixture and any Clubs not represented at delegate meeting shall be responsible for any fixture or fixtures made in their absence. Applications for cancellations of fixtures or changes in kick-off times will not be entertained. The Management Committee shall however be empowered to use their discretion in this matter if they deem circumstances so warrant.
9. Each Club in the League shall register its colours with the Hon. Secretary. In the event of two Clubs playing in similar colour the home team shall change colours when such Clubs meet in competition. The first Club that appears on the fixture list shall be deemed the home Club. Goalkeepers must wear colours which distinguish them from the other players.
10. Each Club must furnish to the Hon. Secretary of the League the name and address of its Hon. Secretary, names and addresses of all members of the Committee of the Club and its distinguishing colours. Clubs shall be required to keep minutes of meetings, showing the names and dates of election of new members, and to furnish same if called upon. All clubs must furnish on their entry form an email address in use by their Hon. Secretary. This will be the primary point of contact with the club.

COMPETITION

11. All matches shall be played under the jurisdiction of the Schoolboys Football Association of Ireland and according to the laws of the game. No club or team or player shall take part in any competition, match or trials, outside the jurisdiction of the S.F.A.I. without prior sanction. Application for such permission must be forwarded to the Hon. Secretary at least two weeks prior to the suggested match or trial. Any player or team or club

contravening this provision shall be fined or suspended by the Association. No club or team in the Cork Schoolboys League can play clubs or teams outside jurisdiction without prior sanction of the League. This provision shall apply to all tournament games involving clubs within or outside the jurisdiction of the league, but shall not apply to friendly games involving clubs affiliated to the league.

12. The entrance fee for each team affiliated shall be decided annually. Fee to be paid on or before closing date for entries to each relevant age grouping.
13. By June 30th the Management Committee will make available downloadable registration forms to each club on the CSL website. These forms only must be used by all clubs for registration purposes. No unregistered player will be entitled to participate in any fixture arranged by the League and each player must be registered at least 24 hours before participating in any match. It is the responsibility of each club to ensure that their players are properly registered and the Management Committee will not be responsible for any clubs failure to comply with this rule. Any team found to have played an unregistered player will automatically forfeit the points in favour of their opponents in league matches and forfeit the tie in cup matches. Player registration is currently done via the FAInet registration system. All master forms must be uploaded onto the FAInet system. The date of upload will confirm that players properly signed (parents or guardian signature plus players signature) are eligible to play the following day.
 - 13a. This rule only applies to local competitions. A player can play two grades above the grade for which he is primarily eligible, provided his club does not have a team entered in the league which is one year above the grade for which he is eligible. This restriction shall not apply to S.F.A.I national club competitions.
14. The referee's card must be filled in prior to start of game and signed by the official in charge who shall certify as to the eligibility of his players. The official in charge who signs the Ref.  - 14a. If a club has any doubt about the qualifications of any player on the opposing team they shall be at liberty to request the Referee to secure, at half time or full time, the signature(s) and date(s) of birth of the player or players (maximum 3 players) concerned. Such signature(s) to be made on the Referee's Card and witnessed by the Referee. Such a request will be made by the Referee to the mentors of the team involved. Refusal to accede to such requests may be regarded as an admission of guilt.
15. Matches shall be started at the appointed time of kick-off and clubs guilty of a breach of this rule will be dealt with at the discretion of the Management Committee. Clubs failing to fulfil fixtures may be removed from league should the Management Committee decide that circumstance so warrant.

- 15a. In local Cup Competitions the 1st team drawn shall have the advantage of home venue up to and including the semi-final stage. The home team shall be solely responsible for the fees and expenses of the match officials.
- 15b. In the event of a draw, 10 minutes each way Extra Time will be played. If there is still a draw after Extra Time, penalty Kicks as per F.I.F.A. Rules will apply. This procedure will apply to local Cup Competitions and any League Play-offs.
- 15c. In the event of a team not fulfilling a fixture arranged by the League's Fixtures Secretary, the Club will be automatically fined €50 for the first walkover and the Team will forfeit the points in a League Competition, or the tie in a Cup Competition. An explanation must be submitted by the Club Secretary to the Hon Secretary of the League within seven days. This explanation will be reviewed by the Disciplinary Committee who will take whatever action is considered necessary and appropriate in the interests of Schoolboy Football. Failure by a team to fulfil a second or further fixture within the same season will automatically incur a club fine of €75 per fixture, and could incur expulsion of the team from all competitions in the League for that season. Following one walkover by any team in a club, subsequent walkovers by any team in that club will incur a fine of €75.
